Letter of Recommendation

I would like to write recommendation letter for External Audit Firm.

We receive various audit & consultation services from Mr. Hasan Obeid and his teams (MENA Horizons Company), without exception, everything done by Mr. Hasan Obeid (Executive Partner) is at the highest level, professionally and delivered on time.

Price and quality ratio of offered services are probably the best on the market. We recommend to anyone looking to outsource or upgrade their financial operation up to the next level.

King Regards,

Waddah Barghouti
