Letter of Recommendation

This recommendation letter is for MENA Horizons Company.

As we have received various auditing and consulting services from Mr. Hasan Obeid (Executive Partner) and his team, Mr. Hasan Obeid's work is of the highest level; especially with his personal involvement. We experienced professional and on time delivery.

Knowing the market we consider MENA Horizons Company as a firm that delivers high quality at competitive prices; we recommend them to anyone looking to outsource or upgrade their financial operation up to the next level.

Kind Regards,
